DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

Pressuren, Jan. 11, 1860. PRINSURGE, Jan. 11, 1860.

DR. KEYER:—My wife has been afflicted with a bad cough and dimently of breathing, for five or six years, which, for several yearsback, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bettle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire astisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

WM. WILSON.

Alderman Fifth Ward.

Pryranger, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Paten Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that singrecolor classes, affected with the vere cold.

I have been, more or less, in my life, affected with the severest of colds and hearseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few does of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly, my that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Oltiseus Deposit Bank.

STRUMENVILLE, O., March 14, 1859.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—DR KETER—Dear Bir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great piesasre in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with! I have used used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you thick proper E. F. PRATT.

READ THE TRUTH.—BR. KRYCER: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. A GREAT CURE BY DE, KEYSER'S PECTORA

SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 6th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to fur your PECTORAL COUGH. that time I was advised to try I had taken one bottle I SYRIP, which I did, and siter I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what they had done in my case.

JOHN C. LITTLE, Seables townhip.

PATTON Tr., April 14, 1887.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectoral Syrup, which I gave him, and it entirely eured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Fectoral saved his life.

Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles hast week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Biairsville, Pa., tell as they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

sleep. I had the advice and precerptions from three of

"STOP THATCOUGHING."—'How can I do tt?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't care you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Rear two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdushic coughs we ever experienced since our advent upon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of disting of out, but it was no go. In fact it eccuend safter to have improved by practice, and to have acquired strength, potency and distressibility by the speration. In this stage of the siege, we coughed our way to Keyser's, 160 Wood Bt.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and inforty-eight hours we were master of the field, the enemy having unconditionally currendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drownsellle Chipper, Dec. 14, 1859.

DEAR MADAN:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in rejuleving all, and curing most on those diseases to which you are unfortunately so liable. That most exeruciating disease to an affectionate mother,

NURSING SORE MO TH. Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.

In the more advanced stages of CANKER It extends to the stomach causing DYSPEPSIA. creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is which is nothing but canker on the stomach; then to the

RAW AND INFLAMED, rour food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonous fluid of the canker eats it up: then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes losse and flabby, and the fibres of your body be come relaxed Then follow a train of diseases which the Modical Discovery is peculiarly adapted to

Palpitation of the heart, pain in the side, weakness of he spine and small of the back, pain of the hip join when you retire, irregularity of the bowels, and also hat most excruciating of diseases, the PILES. How many thousand of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish te impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure," In the

MEDICAL DISCOVERY you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.

THE MEDICAL DISCOVERY specialy intended for diseases of the blood, but since ntroduction in the Western States, it is found to be

AGUE REMEDY that was ever before the public.

No change of diet ever necessary—eat the best you cas and get enough of it.

DIRECTIONS FOR UNE—Adults one table spoonful per day—Children over ten years, dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all consitutions, take sufficient to operate on the bowels twice a day.

Vours truly. Yours truly,

Yours truly,
